

Dear Parents,

College Heights is “on the web.” We have partnered with RenWeb to bring new levels of communication to the school. If you are new to the school you may not be familiar with the system. If this is not your first year, you have had access to this program for the past few years.

Our goal is to give you, the busy parent, an opportunity to get more involved in your child’s academic progress and future success – all via the internet!

RenWeb ParentsWeb is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. You can view your child’s grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an internet-capable computer.

Here’s how to access our easy-to-use RenWeb ParentsWeb:

- Go to Internet browser and type in the address www.renweb.com
- Click on “ParentsWeb Login”
- Log in as follows:
 - Your School ID is : CHCS-MO
 - Enter the email address you provided to the school
 - Type in the password assigned to you
 - Returning families: Your password is the same as before. If you don’t recall what it was, contact one of the school office assistants at ext 211 for secondary students or ext 221 for elementary students

Once on the website, you can change your password by clicking on the CHANGE PASSWORD link. Please visit the Family Demographics link and check your information. If something needs to be changed, please go back to the main menu and click on the WEB FORMS link. From there you can change information in your demographics.

Please contact Bridget Sparlin at ext 211 or Tammy Davis at ext 221 if you have any problems or questions.

We look forward to your participation. Together, we can continue to improve our children’s academic development as well as communication at school and at home.
